## **RB 16-45 Roller Blind CS Louvo Cassette Manual System®**

### Technical Summary

---

# About this Document

---

This document serves as a concise technical summary for the **RB 16-45 Roller CS Louvo Cassette Manual Rail System**®, aimed at designers, specifiers and estimators. It highlights the necessary technical information for project planning. For comprehensive understanding, we offer two additional resources:

1. System Brochure:
  - Features photos and visual representations of the product.
  - Outlines potential use cases.
  - Showcases the aesthetic applications of the system.
2. Technical Document:
  - Contains in-depth technical specifications.
  - Assists engineers, installers, and architects with detailed engineering insights.

To access these documents, click on the links provided below or scan the QR code to be directed to the corresponding resource.
